FY 2009 ARRA and NCLB Funding

Contact: Diane Stuehmer (diane.stuehmer@nebraska.gov or 402-471-1740) or the NDE Reviewer assigned to your district.

Though Nebraska has received approval to extend the FY 2009 funds for the grant programs listed in the table below until September 30, 2012, NDE is encouraging districts to obligate these funds as soon as possible. A big thank you to the districts that have already closed out the grants for these programs.

NDE is encouraging districts to spend these funds by the end of March, 2012 if at all possible. This allows ample time to submit expenditures and close out the grant(s) before the end of the school year. Keep in mind that these funds continue to be transparent and use of funds is reported to USDE.
